

December 2, 2010

Dear Chief Cribben,

On November 23, 2010, a burglar attempted to break into my house at Mt. Laurel Road by shattering glass in the front door and a rear window. I would like you to know that all of your officers did a great job in apprehending the burglar. Everyone who responded was very professional and reassuring. I am very grateful to the 911 dispatcher and all the policemen for their help. Please express my thanks to your department.
