**INTERSECTION IMPROVEMENTS TO BEGIN IN MOUNT LAUREL ON WEDNESDAY**

**Construction at Intersection of Hartford Road and Elbo Lane Will Enhance Safety**

Safety improvements at the intersection of Hartford Road (CR 686) and Elbo Lane/Stacy Haines Road (CR 612) in Mount Laurel are scheduled to begin on or about Wednesday, October 26.

Construction involves creating a center left-turn lane on Hartford Road, roadway/shoulder widening on all four approaches, repaving of existing roadway, installation of a new traffic signal and drainage improvements on both Elbo Lane and Hartford Road.

All lanes will remain open to traffic during morning and afternoon peak commuting hours, and traffic will be maintained during construction with one lane alternating. Construction is expected to take 60 days to complete.

Motorists are advised to seek alternative routes during construction. The contractor is South State, Inc. of Bridgeton.
